

## November 2021 Schedules

**All classes are live for small groups.** If a school has over 10 students, Live On Line classes can also be run from our Centre to your students as an after school activity. Take your first diagnostics 1 month before your class starts.

**The first diagnostic runs every Wednesday, Thursday and Friday from 2-6pm.**

In addition to listed classes in Test Prep, **Private Tutorials** are available in most test types. All classes are run weekends, PT also runs some week afternoons.

**Homework coaching**, coaching in Math & English outside of Test Prep is available from ages 9 to 16.

**Boarding School Counseling.** There has been a marked increase in demand for Boarding schools. We are able to offer search, selection, full range of academic support, Test Prep and personal development support.

**Undergraduate Counselling.** Whether it is for 4 years of high school, 2 years or one year, on just individual topics: Essay Help, Personal Statement, school selection or interview prep, TPR has the reach, resources, expertise and experience in working with US Universities since 1981 and parents and students in Hong Kong since 1988.
